

Terms and Conditions

1. The company pledges that the value of the prizes is correct. Oxalus will be in charge of any final results.
2. One person will receive rewards according to the number of NFTs they hold at the Snapshot date.
3. All rewards must be redeemed within 7 days after distribution.
4. Oxalus Wallet's user can generate their unique referral code to introduce other users to download the app. A referral happens when one user creates or imports a wallet using another user's referral code and makes a Swap.
5. The person who created the code and introduce other users is the Referrer and receives 10 OWP.
6. The person who is invited and creates a new wallet or imports an existing wallet via the code or the code above is the Invitee.
7. Oxalus reserves the right to disqualify and revoke rewards from participants who engage in dishonest or abusive activities during the activity. This includes mass registration of wallet addresses for additional bonuses and any other activity in connection with unlawful, fraudulent, or harmful purposes.
8. Oxalus reserves the right to cancel or amend any Activity or Activity Rules at our sole discretion.
9. All participants must strictly abide by the Oxalus Wallet Terms of Use.
10. Oxalus reserves the right to finally interpret this activity. If you ever have questions, the team is always here for you, so don't hesitate to connect with us via
